With God, **WE ARE ENOUGH** to carry out the work we are called to do in our church, in our city, and in our world.

Our goals are that 100% of our church community will make a financial pledge to support our staff, program, mission, and ministries and that those of us who can maintain or increase our pledge will do so. Through God's grace and with your support, we can make a powerful difference!

To provide for Westminster's future, we pray for 100% membership participation with an increased giving goal.

Use the table below as a guide in setting your annual giving goal. In addition, there are several online calculators that will help you figure out percentage giving. Check out: <http://anycalculator.com/tithecalculator.htm>
