We are a church which lives out our love for Christ through ministries in Albany and in the wider world. Our goals are that 100% of our church community will make a financial pledge to support our staff, program, and ministries; and that those of us who can maintain or increase our pledge will do so. Through God's grace and our generosity, we can put our faith into action!

We hope you'll join us in providing for Westminster's present and future!
