# Two Truths in One Heart; Two Peoples in One Land

We invite you to join Rabbi Hanan Schlesinger, a Zionist settler, and Noor A'wad, a Palestinian activist, as they share their personal, interconnected stories and present the groundbreaking and challenging grassroots work of **Roots/Shorashim/Judur**. They do not come with blueprinted peace plans in hand, but with the deep conviction that human understanding and trust are the prerequisites for lasting justice, freedom, and peace in that little sliver of land they both call home.
